We'll Make Good

EVERY WORD IN OUR "ADS."

A quiet investigation into the extravagant statements and
bubble advertisements that are thrown broadcast to the public
sooner or later results in the finding out of the difference between
Fact and Fiction. The former we deal with—the latter we
don't. Our Clothing, our prices and our statements always
match our ads.

It's a Fact when we say we've the best Spring Clothing in
town for men's, boys' or children's wear. It's a Fact when we
say we've the best of Hats, and all sorts of Toggery for men and
boys. It's a Fact when we say our prices are the lowest that can
be named on our qualities. Come in and let us "make good"
our statements.
